- If you return the product within 14 days of receipt, keep your track and trace code safe.
- It may only be returned if it is new, unused and undamaged. Mounting marks can be a reason for refusal.
- Pack it carefully. If it was sent in an outer packaging, we advise you to do this again. Damaged original packaging may mean a refusal of return for us.
- After connection, use or severe contamination no parts can be returned.

We can process your return shipment faster and easier if you have fully submitted your details to us and included them in the return package. Therefore, fill in the form below. You can purchase a shipping label from PostNLonline. Please return it to us as soon as possible. Once the package reaches us, we will assess it and send you the replacement part as soon as possible.
